What a sunny week it has been!

Thankyou for covering your children in sun cream and sending hats and water bottles; they have done very well to stay safe in the sun. Play time has been glorious and field time allows so much more running around. We have had a few showers though so please remember to send you child with a thin water proof coat still. We love going out in the rain too!

The next four weeks are getting busy so please check diary dates for upcoming events. The week beginning 8th July will see our Year 6 children spend a full week at their secondary school. This will mean the rest of children in school will have time to meet their new teacher for September and new classroom. More details about this will follow.
